OF TEN TWENTY GROVE

Ten Twenty Grove is more than an address. It is more than the gracious apartments tucked within a beautiful tree-lined neighborhood near vibrant downtown Evanston with access to public transportation, fine dining and shopping.

Ten Twenty Grove is a community of spirited people – who cherish their independence – and embrace life’s endless possibilities. They are active individuals who have developed an amazing camaraderie.

Ten Twenty Grove is filled with extraordinary people – well-educated, community-minded and independent. They’ve taught, volunteered, run corporations and PTAs. They’ve built relationships with strong ties to family, friends and their communities.

Meeting your new neighbors at Ten Twenty Grove is easy. Social activities and stimulating events instantly connect you with others who share your interests.

There are ongoing opportunities to join residents at Westminster Place – for trips, classes, or for exercise at the Kimble Fitness Center. Residents are also welcome to dine at Westminster Place.

While Ten Twenty Grove encourages and promotes your independence and current interests, residents quickly realize a warm, inviting sense of community. Yet there’s always a respect for a person’s privacy and personal life.
